

Waterfront Art Festival Posters

Posters are currently available for 1988 through the current year except for 1990, 1991, 1992, 1993 and 2000 that have sold out. Many of the years are getting low in quantity and they won't be re-ordered so if you really want a particular poster, you should buy it now. The posters also make wonderful prints for any wall and they can be framed without the poster text showing for a different look.

All posters are priced at \$30.00 plus 8% sales tax for Monroe County if the poster is shipped to a New York state address. Shipping is \$5.00 per continental USA address, no matter how many posters are ordered. Please contact me to work out the details for shipment to Hawaii, Alaska and out of the country. If the poster is a gift add \$5.00, tell me the recipient's name & the occasion. I will gift wrap it, include a simple card, and ship it directly to the recipient and let you know it's shipped.
